President's Report

2010 was a great year for Kedron Wavell Services Hockey Club. Our Club continued its strength in terms of numbers of teams playing under the Kedron Wavell Services Hockey Club banner. The following section reports will detail the teams playing this year and their performances.

Our Club members and supporters continued to provide their much valued support for the Club and its players. Without this support we would not be able to benefit from the canteen at Burringbar Park, a benefit which would be much valued by other clubs, the financial support from our major sponsor, Kedron Wavell Services Club, and, being able to complete the many tasks which must be undertaken to put our teams on the field. To all those supporters who voluntarily gave up a lot of their time I would like to extend a very big THANK YOU from both myself, the Management Committee and the many players who reap the final benefit from all our efforts – the ability to play hockey!

Burringbar Park

Kedron Wavell continued to work with BHA and BWA to ensure a quality facility for our sport is maintained and to ensure it remains the **Home of Kedron Wavell Hockey**.

BHMG decided to maintain our running of the canteen with a new profit share arrangement so that the canteen meets its costs and makes a contribution towards the running and development of Burringbar Park. We negotiated with BHMG to ensure our Club members received a reasonable return for the considerable effort they put in to running the canteen.

Demands for the use of the turf field are growing especially from Northside Clubs. Your Management Committee has been able to preserve the number of training hours on Wednesday nights but some junior training with an early start was required to accommodate other clubs using the field. The division of training times by BHMG was equitable amongst all clubs but it was a difficult task given the lack of facilities on the northside. Until there are a larger number of artificial surfaces in Brisbane the availability of training times will remain limited and our Club will need to be flexible in regards to its training times.

BHMG has taken a decision to replace the surface early in 2011. The cost will be approx. \$300,000. It is hopeful of gaining grants from both the State Government and BCC to finance the replacement. Replacement in early 2011 will have an impact on early training times for turf teams. For next year teams will need to go to other venues or train on grass because the field will not be available for the early part of the year. However, once replaced we will have the best turf available in Brisbane.

As part of the project to replace the turf BHMG will also be holding a working bee to clean up the other components of the facilities at Burringbar Park. I will be calling on our Club members and supporters to attend this part of the project in large numbers to show that we value our home ground and to bring it up to a condition that we can be proud of.

Our Club Sponsor

2010 was the second year of our sponsorship arrangements with the Services Club. The Services Club has been a great supporter of our Club for many years and their financial support is very welcome to assist with members costs in playing our great sport and in developing our sport in our local area. Along with the sponsorship we will continue to run raffles at the Services Club to gain further funds for junior development and to show our support for our major Club sponsor. Please continue to support these raffles and our major sponsor Kedron Wavell Services Club – a great club for the Kedron Wavell community. In 2011 we will include Services Club membership in our Club's membership fees to show our support.

2011 – A New Era for Kedron Wavell Hockey

2010 commenced the new era for Kedron Wavell Hockey and we will continue into 2011 in fine shape to meet the challenges which lie ahead. After great work from all our supporters and volunteers we will commence the year in good shape financially which will be aided by our continuing sponsorship from the Services Club.

We are also in a great position with our membership both in terms of players and supporters and volunteers. This is the spirit of our Club. Our supporters, volunteers and parents have got us through many challenges in the past and must continue to do so in the future to maintain our successes. Please continue to be generous with your offers of support.

We will also continue to meet the challenges identified last year including:

- The establishment of a strong leadership group for the next decade. The Club needs to maintain a strong leadership group to run our sport both on and off the field. The Committees for each section and the Club as a whole need continuous invigoration with new people and new ideas. Parents and senior players you need to step up and ensure Kedron Wavell continues to be a dominant Club in Brisbane hockey.
- We need to continue to develop and promote our sport within the Brisbane community. Funds from our sponsor will be used for these promotional purposes as well as developing our next generation of players, coaches, umpires and Club leaders. Members' ideas and support will be required here.
- Communication is a vital function of any club including ours. We are currently working on our new website and hope to launch it early in the new year. Communications within the Club will be an ongoing challenge. We all need to work hard in this area.
- We need to continue to spread the load. We welcomed new people into our sections' Committees this year and this must continue in order to spread an increasing workload. Everyone is busy with work, families and other important tasks. But if more can find a few hours to put into their Club then the load will be spread and we can all find more time to enjoy our sport.

I would like to conclude by thanking the Club's Management Committee for their tireless work and commitment to our Club, especially to Ann King our Secretary, Jim Hamilton our Club Treasurer who was honoured by being awarded Life Membership this year, to Karyn Argent for her never ending work on the canteen, to our Club Minute Secretary, Belinda Urquhart, to our tireless Club worker Helen Hill who was always there to help out, and finally, to our Patron, Jenny Tidey, who stepped in when we needed her guidance and support this year.

I have been honoured to have been part of this Club for over 40 years and I know that if the Club maintains its spirit then these challenges will be easily met and all our members will continue to enjoy the great sport of hockey. Even though this is my last year as your Club President, I will continue on the Management Committee as the Immediate Past President. I look forward to working with the new Club President to ensure Kedron Wavell Services Hockey Club continues to be the pre-eminent hockey club in Brisbane.

Your very proud Club President

Ian Harcla

Treasurer's Report

The 2010 season has resulted in a deficit of income over expenditure. The following table highlights the significant items contributing to the result. It should be noted that the accounts presented are prepared on a cash basis.

	Amount	Comments
Total Income	290,156	Increase of \$11,544 on 2009
- Player Fees	128,122	Increase of \$17,752
- Uniforms	18,771	Increase of \$15,427
- 6-a-Side	24,241	Decrease of \$10,471
- Canteen takings	56,879	Decrease of \$5,340
- Fundraising, donations, etc	48,325	Decrease of \$2,651
Total Expenses	296,983	Increase of \$83,850
- Player Fees	138,002	Increase of \$34,608
- Uniforms	30,326	Increase of \$29,176
- Canteen expense	51,984	Increase of \$14,528
Deficit	\$6,827	Decrease of 72,306

Over all, player fee expenditure exceeded income by \$16,856 due to outstanding invoices from the 2009 season being paid this year as well as increased coaching, registration and game fees. Income of \$9,580 from the 2010 year six-aside (Oct/Nov 2009) was recorded in the 2009 income statement when it was received. This year the processing of team registration payments was held over until October to align income with the 2011 season.

With the Club wide replacement of uniforms this expense item rose significantly and was partially offset by increased sponsorship and income from items purchased by members. The executive acknowledged the increased expense to members associated with new uniforms and limited fundraising this year to a raffle - thanks to Kathy Mehonoshen for her organisation of this event, cake stalls and sausage sizzles.

The canteen result for this year is disappointing. A large amount of effort goes into organising and then operating the canteen. Thanks to each section's canteen roster organiser and the members who complete their roster. A double whammy of decreased takings with increased expenses produced a modest return. The additional expense included \$5,625 relating to last year and it is acknowledged that the Club "lost stock" when freezers broke down or defrosted. The Club was also without the main display fridge when it too broke down and was replaced temporarily with eskies, thanks to those who provided these to the Club, until replaced.

Thanks to all the section treasurers for their efforts during the year.

While the 2010 season shows a deficit of income over expenditure the balance sheet shows net assets of \$61,963 consisting entirely of cash based assets. This asset should serve the Club well going forward.

Jim Hamilton

Treasurer

Men's Report

Season 2010 provided a number of challenges from the scheduling of games however we saw some improvements in the operation of the unit. BHA moved the majority of Div 3 games to Saturday which meant our Div 3 side played at different venues to the united group so we lost the ability to use reserves from the grade above. Our Div 4 & 5 sides made the finals with the Div 5 missing out on the 4th Premiership in succession going down in the GF (possibly one or two many from the club presentation the night before). Vets were competitive all season but lost ground in the last couple of weeks to fade out of contention with the first side playing short all year. Thanks to Tex and Dave Todd plus others for filling in when possible. Our United teams also had an indifferent year with the Div 2 side progressing to the major final while the firsts struggled to deliver on the promise they displayed from the year before.

Whilst the season for our BHL1 side was disappointing overall, one major bright spot was the inclusion of some of our recent juniors in QLD senior sides with Adam McClelland, Justin Morris and Aaron Lund all making QLD U/21 or QLD Development squads, Adam was also selected early in the year in the Australian Indoor team that toured overseas.

I would also like to thank the tireless volunteers who make a season possible, they are

Jim Hamilton	-	Men's Treasurer
Ian Catherall	-	Men's Secretary
Kula Bhullar	-	Men's Club Captain
Scott McCauley	-	BHL3 Coach
Howard Rowland	-	BHL4 Coach
Martin Halsey	-	BHL5 Coach
Ian Catherall	-	VHL1 Manager
Brian Williams	-	VHL2 Manager

I would also like to offer a special thank you to the number of senior men that have helped during the year. I look forward to seeing everyone back in 2011.

MENS COMMITTEE

Vice President: Graham Taylor

Treasurer: Jim Hamilton

Secretary: Ian Catherall

Ladies' Report

The ladies section fielded 9 teams in the BWA competition in 2010: four turf teams, three grass teams and two Monday masters teams.

Turf

There were teams in Divisions 1, 2, 3 and 4 and both Monday Masters 1 and 2.

Nikki Taylor continued to coach the Division 1 team and this year, under Nikki's skilful coaching, the girls reached second position, the highest position for our Division 1 team in many years. Unfortunately they were defeated in the preliminary final. Representative commitments for players continued to affect the continuity of the Division 1 team and thanks are extended yet again to the Division 2 players who filled in time and again.

Nikki will continue with the Club next year and we look forward to even better results in the 2011 season.

Division 4 was Presidents Cup winners and minor premiers and this team had a great year. Unfortunately they were not able to take home a grand final trophy but they did themselves proud.

Effective coaches and committed players have yet again worked together for good results and this ensures a strong and faithful club.

Jasmine Larosa won BWA Rookie of the Year and Jodie Schulz won Best and Fairest for KW in Division 1. Congratulations to all teams, players, coaches and managers.

Grass

We fielded three grass teams this year – DP1, DP2 and DP4. The DP1 team did well and reached the major semi final. The other two teams struggled this year but there is always next year!

Thanks go to coaches, managers and umpires as usual. Without your help we don't have a game.

Representative Players

A number of players from the ladies section played as representatives of Brisbane, Queensland and Australia and these are listed in another section of this report.

Special mention is made of Jodie Schulz who was selected in the Hockeyroos development squad and to Jasmine Larosa and Alyssa Kerr who were selected in the Australian Schoolgirls and Junior World Cup teams respectively. Other Australian selections were Jasmine Larosa who made the Under 16 Australian Schoolgirls team and Jamie Stone who is a shadow in the same team. Congratulations to these ladies on their achievement this year and to all those who achieved representative status.

Club Captain

Alex Brown from Division 2 ably filled the shoes of Club Captain this year. Thanks Alex for a great job.

Canteen and Umpiring

The Club continued with the canteen management this year. The ladies section undertook their responsibilities as required and for that management is grateful. The funds raised in the canteen do help keep fees down and all ladies carried out their rosters without question or complaint. Thanks so much for your co-operation in this.

A special thanks to all players who carried out their umpiring duties. It is acknowledged that many people do not enjoy umpiring but it is a duty that we all need to carry out. Many hands make light work so the more that people help out, the less we all have to do!

This year we introduced payment for all umpires - \$30 for badged and \$15 for non badged. Whilst the new payments didn't see huge numbers of players volunteering to umpire, it did relieve the pain for those who did umpire. We hope to extend the umpire development program in coming years to help provide more competent and confident game officials.

Volunteers

A huge thanks to all those who volunteered this year to lighten the load within the Club. As with last year, particular thanks to Bill and Helen Hill for their technical bench and management assistance and to Karyn Argent for her work in the canteen.

Also thanks to my faithful band of helpers this year – Jane Newman, Kate Oudenryn and Fiona McQueen. Special mention also needs to be made of Jenny Tidey who provided advice and comments any time I asked.

To coaches and managers, also a huge thank you. My job is made much easier if I can communicate easily with all of you and I am grateful for your assistance when needed.

Christine Blanchard
Ladies Vice-President

Junior Boys Report

This year we fielded 6 Kedron Wavell teams and one combined team with South West United in the BHJA competition.

Junior Turf

This year was the first season of playing the J1 competition on a Friday which proved to be quite successful. This team was a combined team with South West United. We look forward to continuing the partnership in 2011. This team was successful in reaching the Grand Final.

Our J3 Boys had a difficult beginning to the season but to their credit they did not give up all season and ended up finishing on a more positive note.

Special congratulations to our dedicated team of coaches: Ethan Triggell, Adam McClelland, Chris Howell, Hayden Gibson and Daniel Schloss.

Under 13

Our U13 team had a very good season under the guidance of Jacob Jennison and Josh James who were new to coaching this season. This team worked hard this season which led to them playing in the Division 2 Grand Final.

Under 11

Our Under 11 teams performed very well throughout the season with U11 division 1 successfully winning the Grand Final for the second year in a row. This also made them the best junior team for the 2010 season in Kedron Wavell. Congratulations on a job well done to the coach Bernard Machen and his able assistants Ian Reynolds and Dale Sheehan.

Our U11 division 2 team is a young side who is showing a great deal of potential and were successful in making the semi's this season. Thank you to Glenn Guy who has been instrumental in their development this season.

Under 9 and Under 7 Rookies

In 2010 it was decided to offer parents the choice between a Friday Night competition run by BHJA and Saturday morning run by BWHA. The teams remained mixed and were welcomed by parents to have a choice as to which competition suited them. We fielded 1 team of each U7 and U9 on Friday night. The teams attended 2 carnival days this season which the players really enjoyed. Once again the patience and dedication of their coaches is very much appreciated. Tony Robertson coached the U7 team and Jamie Wright coached the U9 team.

Representative Players

Special recognition of outstanding achievement goes to Matthew Argent who was selected in the Queensland U16 schoolboys' team and Under 18 Brisbane Squad.

24 boys (35% of all Kedron Wavell players) were selected in representative teams for either Brisbane or Schoolboys teams.

Development Programs

Several development programs were run this season in conjunction with the Junior Girls, this was made possible with the generous support of the Kedron Wavell Services Club. Regie Fisher organised two clinics in the Easter Holidays and a Learn Hockey Program at the beginning of the season. Our thanks go to Regie and her assistants for this. We also supported our players who attended the QUT Development clinic in the June school holidays, which was beneficial to those players not involved in representative sport at this time of the year. All parents reported that their children enjoyed and learned a lot from the programs we offered.

Canteen and Fundraising

This year Caitlin McKenzie was the canteen coordinator and she did an excellent job with canteen rosters. Thanks to all parents who did their canteen duties so diligently. This year was our first year doing the raffles

on a Friday Night which was met with mixed opinions with so many junior teams now playing on a Friday night this was at times difficult.

Our fundraising this year was a combined effort for the Junior Boys and Girls, this year we had a club raffle. Thank you to those teams and parents who supported the club by selling their tickets.

We also participated in supporting The Downey Park and Rasey Park Cake Stall. Once again this was well organised by Kelly Crawford and I would like to see the Junior Boys support this fundraiser more next year.

Boys' Committee & volunteers

The Boys' committee has had a change of direction this year and I would like to thank Karyn Argent and Kim Gunner who has given many years to the boy's committee and has supported me to take over the position of Vice President. My thanks also to Nicole Esam (Secretary), Kaaren Lane (Treasurer), Danielle McDonald & Trish Fossey (Uniforms), Caroline McLaughlin (Equipment).

Of course none of this would be possible without the vital support and reliability of our team managers. Without them we would not be able to perform our duties.

Management Committee

2010 saw us start the year with a full committee. The Boys section is extremely grateful to Ian Harcla for stepping in to the role of Club President for another year. I would especially like to thank Ann King for all the years of service as club secretary. I would also like to thank Kathy Mehonoshen for all the support she has given to the Junior Boys her assistance has been invaluable.

On behalf of boys players and their families I would like to extend a special thank you to the committee.

Michelle Weekes
Junior Boys Vice-President

Junior Girls Report

Annual Report – Girls Section

2010 was a year of “almosts” for the girls. We were very successful in the Junior Turn divisions with all teams making the final series and the JT2 and JT3 making the grand finals. Our very successful U13B team also made the grand finals but alas we were not able to win a premiership. However, our girls are always winners in the club’s eyes as they proudly wear the uniform. In 2010 it was a new uniform and through the generous sponsorship of Kedron-Wavell Services Club all playing shirts were supplied by the club.

We were all very proud of Anna Mehonoshen who was awarded the National Youth Hockey Leadership Award by Hockey Australia. She went to the World Hockey Youth Leaders Festival in Germany representing Oceania (Australia, New Zealand and South Pacific Islands) where she was placed 8th in the world. This fantastic opportunity for Anna happened because the Management committee nominated her. We really do support our young talent both on and off the field.

Junior & U13 Turf

East’s Tiger turf provided an additional turf venue for fixtures in 2010 and this allowed a 6 team U13 Turf competition to be played on Saturday morning. Competition was fierce for one of the 6 spots available and we prevailed with a very young team under the competent guidance of Glen Donald. 2010 was certainly a steep learning curve for the girls – most of whom had just graduated from the U11 ranks. We expect big things of this team in 2011.

Kedron-Wavell was one of only two clubs with a team in all turf divisions. Our dominance was evidenced premiership ladder with all J teams making the semi-finals and the JT2 and JT3 teams playing in grand finals. We had some outstanding individual performances with Maddie Lawrence being named as shadow goalkeeper for the Australian U16 schoolgirls. CJ Hooper was the top goal scorer for the JT1 competition and Kristina Somerset was top goal scorer for the JT2 competition.

J Grass 2

As a result of the outstanding performance in 2009 of our Junior Grass team we were elevated to the JGrass 2 competition in 2010. Under the guidance of Dave Scott the team was able to make it to the top 4. Congratulations to Brianne Scott who was the leading goal scorer for JG2 with 12 goals for the season. Well done to our JG2 girls who are great ambassadors for grass hockey.

Under 13 A and B

Our U13 grass teams performed admirably in 2010. The U13A team was somewhat depleted as a result of the introduction of the U13 Turf division. Andrew Blanchard once again led our girls to a stirring performance for the season.

We welcomed Darren Smith to the club in 2010 and he had great success coaching the U13B team to the Grand Final. Mackenzie Smith was the leading goal scorer for U13 teams with 8 goals from 14 games.

Under 11 A, B and C

Once again our thanks and appreciation goes to the coaches of the U11 teams. Lesley Anderson U11A, Tessa Long U11B and Doug Bennett U11C. Our leading goal scorer for U11 was Elizabeth Haigh who scored 6 goals from 14 matches. She also scored a handy 3 goals from 6 games while playing for U13B. This is an outstanding effort from a player who was 10 years old for the whole season and will play in U11 again in 2011.

Under 9 and Under 7 Rookies

Once again we played mixed teams in the U7/U9 competition at Rasey Park. The children looked great in their KW Rookey shirts. Special thanks go to our U7 coaches: Fiona MacQueen, CJ and Teneal Hooper. The development of skills and a love for hockey in our beginner players is vital to the ongoing success of our club. Our U9 coaches for 2010 were Ian Smith and Ken Dohnt. Thanks to these guys for the dedication and fun they bring to our U9 children. This year the U7 and U9 teams were supported by Anna Mehonoshen who was the BWAH Rookey coordinator.

Umpires

Once again Sheila Lynch coordinated the umpiring roster this year and she performed this duty with commendable diligence and reliability. A huge thank you to Sheila who was also manager of JT1 and Ladies Division 3 teams. She was a worthy recipient of the Patron's Trophy for 2010. Thanks go to all the girls and their parents for willingly completing their umpiring duties.

Development Programs

- Umpires

As a result of the generous support of Kedron Wavell Services Club we have been able to run an umpire development program again in 2010. This program was run by Alyson Aleksic with the support of Sheila Lynch. The program has been very successful with 13 girls being mentored in a total of 39 games. We also had 12 girls umpire a total of 82 games during the season. All of these girls are now accredited for the community level Hockey Australia umpiring qualification.

- Learn Hockey

With the funding support of Kedron-Wavell Services we ran a Learn Hockey program at the start of the year. All parents reported that their children enjoyed and learned a lot from the program, that it represented good value money, and that they would recommend the program to other parents.

Canteen and Fundraising

This year Carol Crisp was the canteen coordinator and she did an excellent job with canteen rosters running smoothly and very few "no-shows". Thanks to all parents who did their canteen duties so diligently. Next year we will have to focus on making sure that the raffle ticket duty is as successful.

We decided to have a change from the Chocolate Drive in 2010 and ran a club raffle instead. Unfortunately this was not as successful as we had hoped and we will need to review our fundraising program for 2011.

The Downey Park Cake Stall was very well supported by parents this year with many generous donations of home-baked products. Once again Kellie Crawford did a superb job of coordinating the stall.

Girls' Committee & volunteers

A special thank you to Kellie McGrory for the magnificent job she did with rolling out the new uniforms. At times this was a very difficult task and we all admire Kellie's commitment and tenacity in making sure that all our children had uniforms.

The Girls' committee had a very productive year. My thanks to Chris Carr (Secretary), Kaaren Lane (Treasurer), Kellie McGrory (Uniforms), Carol Crisp (Canteen Roster), Kelli Crawford (Cake Stall) and Julie McCarthy (Photos).

Of course none of this would be possible without the vital support and reliability of our team managers. Without them we would not be able to perform our duties.

Management Committee

The Girls section is extremely grateful to Ian Harcla for his leadership through his role as Club President. Thanks to Jim Hamilton for stepping up to the mark and taking on the challenging role of club treasurer. Well done also to Ann King for being Club Secretary. On behalf of girls players and their families I would like to extend a special thank you for the professional and dedicated manner the committee has pursued favourable outcomes for our club.

Kathy Mehonoshen
Junior Girls Vice-President

Trophy Winners

SENIOR PERPETUAL TROPHIES

Patrons Trophy – Best Club Person – **Sheila Lynch**
