# President's Report

2011 was another good year for Kedron Wavell Services Hockey Club. Our Club continued its strength in terms of numbers of teams playing under the Kedron Wavell Services Hockey Club banner, with now 37 teams representing the club across all age groups; and collected some well-earned premierships at season's end. The section reports provide the detail of the teams playing this year and their performances. Australian, Queensland and Brisbane representative honours were collected by Kedron Wavell players across the whole club; and at the very top level Marnie Hudson, Jodie Schulz and Kandice Olivieri all played in the Hockeyroos this year with Marnie and Jodie recently re-selected; Alyssa Kerr took out Best & Fairest awards in both the Brisbane Division 1 competition and the Australian U21 titles as well as playing in the Australian U21 Jillaroos team; and Jasmine Larosa was selected as Captain of the Australian Schoolgirls team. This is an outstanding contribution from one club.

It was especially heartening this year to see the widespread adoption of our new supporter's and player off-field wear; following adoption of the 'Wolves' name and new logo. The debate over the new name took a while, but in the end the Wolves was supported across all parts of the club; and has been warmly and widely adopted.

As with almost every sporting organisation, we survive, succeed and prosper on four pillars: our players, our organisational personnel, our sponsors and our supporters – meaning family, friends and club stalwarts. So, to all of those within our wider club family who gave up your time to make us succeed, whether it was a small effort, or half your life, I thank you – on my own and on behalf of all the players of every age that got to enjoy their hockey for another year.

I also want to acknowledge the organisers and thank the contributors who made a success of our flood fundraiser early in 2011. We were able to raise over \$5,500; which we sent to Warwick Hockey Association whose main wet surface field was completely ruined. To any family who was affected by the Brisbane floods, I hope that you have full recovered by now; and hopefully we all get through this summer without flood or storm damage.

## Our Principal Club Sponsor

2011 was the third year of our sponsorship arrangements with the Services Club, and the final year under the current agreement; and I want to particularly acknowledge the enormous support that is provided to our Hockey Club by Kedron Wavell Services Club.

We are particularly pleased when that support is demonstrated through the success of our 'home-grown' juniors, such as we have seen this year; and we hope the Services Club understands how critical its financial support is in achieving these outcomes and how very much all of the Hockey Club appreciates their continued support.

This year, at Senior Presentation night, we added a small acknowledgement of the hockey club's appreciation to the Services Club's by presenting Lyndon Broome, the General Manager of the Services Club, with one of our club jackets – complete with the Wolves logo – and welcoming him to the "wolf pack".

## Burringbar Park

Kedron Wavell continued to work with BHA and BWA to ensure a quality facility for our sport is maintained at Burringbar Park and to ensure it remains the 'Home of Kedron Wavell Hockey'.

BHMG took a decision last year to replace the surface early in 2011, at a cost of approximately \$300,000. It was hopeful of gaining grants from both the State Government and Brisbane City Council to finance the replacement but failed in its initial applications.

Late last year, as the newly installed President, I went with Ian Harcla – as a representative of both our Club and BHMG – to a Community Cabinet meeting and lobbied Sports Minister Phil Reeves for the funding; and as everyone has seen this year we were immediately successful in obtaining a 'special grant' which enabled the new surface to be laid. Ian and I were pleased that the Minister acknowledged the particular efforts of your Kedron Wavell representatives in securing that funding when he officially opened the new turf in February.

Your club continues to operate the canteen, including the liquor licence, under the profit share arrangement so that the canteen meets its costs, makes a contribution towards the running of Burringbar Park through BHMG and, most importantly, our Club receives a reasonable return for the considerable effort our members put into running the canteen.

The recent announcement of the Commonwealth Games for the Gold Coast in 2018, including the installation of three new wet surfaces at Keith Hunt Park in Labrador, means that funding for the sport of hockey over the next 5 years will be largely focused there; after our surface, the flood-damaged Warwick field replacement, and the Redcliffe amenities block were all funded in the last year.

Nonetheless, the demand for turf time in Brisbane remains high and at some future stage I believe that Burringbar Park is the best location for the next wet surface in Brisbane.

## **2012 – Ever better**

The last two years have seen us continually improving, and I am looking forward to 2012 with renewed enthusiasm. There is a really solid club spirit strengthening throughout Kedron Wavell, and we all know that, with just a little more support and a little more on the field we could be bringing home a literal “swag” of premierships in 2012.

As Ian Harcla noted last year, our supporters, volunteers and parents have got us through many challenges in the past and their continued efforts are the platform of future success. As such, I urge you to help the Club with whatever time and resources you can spare. If you are in a business that can look at a sponsorship, then we would love to talk to you as well!

The web site and Facebook pages worked well through the year, and improving their currency and usefulness to players and supporters is just one of the items on the 2012 agenda.

## **Club Management**

The Club's Management Committee and Club Captains did another great job this year, and I want to particularly thank those people who stepped in to fill vacancies that arose during the year. Everyone rose to meet the challenges, and I am grateful for every bit of work that they put in, and to all of their tireless support volunteers in each of their roles.

Finally, it is always a daunting task to take over from someone who exhibits enormous dedication and carries an incredibly deep history, whether that is a business or a community organisation. Fortunately, Ian Harcla has remained closely involved at all levels in the club, including on Management Committee as Immediate Past President, and I thank him for his assistance through the year; and look forward to his continuing support.

My best wishes to everyone for the holiday season, and see you at the field in 2012!

John Davis  
**Club President**

Club operations for this year have resulted in a net surplus of \$265. Overall this is a good result given some of the significant changes that have occurred in the club's financial structure during the year. A complete overhaul of the club's financial recordkeeping has enabled timely and detailed information to be available to club management through monthly section and whole of club reports as well as a detailed breakdown of the club's financial performance being available to all club members through the Annual Report. Management has approved the set-up of a new database for the commencement of the 2012 season to overcome the difficulties faced by section treasurers when tracking player payments.

Thanks to the efforts of Ben Smith we held a very successful Variety Auction early in the year that enabled us to make a \$5,500 donation to Warwick Hockey Association to assist them to recovery from the devastating losses they suffered in the January floods.

The men have faced a difficult year with restructuring of the Division 1 and Division 2 United teams which necessitated the club having to outlay in excess of \$10,000 to cover debts owed. We are still in the process of recovering part of this outlay from our partner club in the United venture.

Early in 2011 it was decided not to renew the purchasing agreement with Atlas Sports and Promotions. As part of the separation process the club purchased all existing uniform stock from ASAP and that was a significant cash outlay that was not expected.

The cash position of the club at the end of 2011 is not as strong as it was at the end of 2010 due to the issues discussed earlier and also the second half of our sponsorship payment not being received by the end of the financial year.

The canteen functioned very smoothly in 2011 thanks to the efforts of Karyn Argent and our tireless roster coordinators. A profit of \$9,000 was made and while this may seem a small amount for the efforts that are expended our efforts are rewarded in more ways than just monetary. Everybody looks forward to one of Karyn's steak burgers and our presence in the canteen is a very visible reminder to the hockey community that Burringbar is truly the home of Kedron-Wavell Hockey.

This year we trialled payment plans for the collection of player fees. We have learnt a lot from this process and will be looking at a variety of payment methods when making decisions for 2012.

In 2012 we will focus on preparing budgets to assist sections to track their financial performance.

Thank you to all of the section treasurers for their efforts during the year and to the management committee for the friendship and support in what has been a very challenging year.

Kathy Mehonoshen  
**Club Treasurer**

# Men's Report

Season 2011 had many highs and lows within the Kedron Wavell Men's section. The focus for the year was creating a closer club environment from the Division 1 side down to the Division 5 side as well as the Vets side. Early in the year the introduction of the "Wolves" nickname for the club started to give the club a closer feel. Wolves shirts and stubby coolers soon popped up everywhere which showed it was well embraced by club members. Again the Division 5 side were the best performing men's side, winning its fourth grand final in five years. Coming from third spot on the ladder, they gallantly defeated the previously undefeated Valleys in strokes. Club Captain Tom King was the hero of the afternoon saving the final 2 strokes to give the guys a very well deserved win. Big thanks has to go to Noel Mitchell for looking after the side, as well as Andre Antony who helped guide the team through the final series.

The Vets 2 team made the preliminary final after a slow start to the season, however after a rearranged final they were unfortunately beaten by Redcliffe. The Division 4 side was a completely different side that had taken the field for Kedron the previously couple of years. Only three players from this team had played men's hockey in the previous year, with many returning to the sport after a long layoff. Mixed in with a few juniors the team fought all year in every game. Trent Franklin coached the Division 3 side this season and only showed glimpses of what could be achieved by them. Gaining experience from a full year in Division 3 is what many of these guys will get out of the season.

Division 2 had one of the more interesting years, losing from seemingly unlosable situations, while pulling out sensational wins over the top sides. Scott Macauley coached the side and not being able to have the same team on the field for consecutive weeks did not help in his search for consistency. This season a focus on "our own" was pushed with the Division 1 side, with upwards of twelve Kedron Wavell Juniors playing in the team at one stage or another. With extended absences from inspirational leader Kula Bhullar and goal sneak Adam McLelland the team could not gather momentum as often as necessary for a Division 1 side. However many other clubs did take notice of the up and coming Wolves and are preparing for us to come a lot harder at them next season. Big thanks to coach Miebaka Dede who did a terrific job with young guys this season.

Thanks have to go to everyone on the board who has worked tirelessly all year. A special mention to Christine Blanchard who after running the women for numerous years is stepping aside; congratulations on all you have done for Kedron Wavell Hockey. Karyn Argent and Andre Antony have both helped in different ways throughout the year and without them things would have gone a lot differently. A lot of work has been put into United/Kedron Wavell this season and Kathy Mehonoshen must be given praise for all of the work with BHA. Dan Moloney and Glen James both helped immensely as well which has taken quite the load off. Tom King and Fiona McQueen, the club captains this season, did a wonderful job working together and both can be proud of their achievements. Finally two people who have taken many hours out of their time for the club; Mark Evans and Renn Makin. Mark did up the weekly Wolves newsletter and each week had many in laughter thanks to the match reports. Renn gave his camera a huge work out this year taking as many photos as possible, and each week sent out many that looked very professional.

I very much enjoyed this season, and that is thanks to every club member at Kedron Wavell Hockey Club and I hope to see you all back for a huge 2012!!!

Ben Smith  
**Men's Vice President**

# Ladies' Report

The ladies section fielded 10 teams in the BWA competition in 2011: four turf teams, four grass teams and two Monday Masters teams.

## Turf

There were teams in Divisions 1, 2, 3 and 4 and both Monday Masters 1 and 2.

Nikki Taylor continued to coach the Division 1 team and this year this team reached fourth position on the ladder. Representative commitments for players continued to affect the continuity of the Division 1 team and thanks are extended yet again to the Division 2 and 3 players who filled in time and again.

Two players from the 2010 Division 1 team were selected in the Hockeyroos squad this year. Jodie Schulz and Marnie Hudson are to be congratulated on their hard work that paid off with selection in the highest team possible. The Club wishes both ladies all the best in the coming year in the lead up to the Olympics.

Alyssa Kerr made the U21s Australian team (Jillaroos) and continues to bloom as a talented hockey player. Jasmine Larosa was selected as Captain of the Australian Schoolgirls team. The Club also congratulates both of these ladies on achieving selection in Australian teams and looks forward to seeing the heights that these ladies achieve in their hockey careers.

A number of players received BWA awards this year with Alyssa Kerr receiving the Division 1 Best and Fairest Trophy and Tegan Kerr winning BWA Rookie of the Year. Rebecca Kirchner received the BWA Lyn Thomas Shield for the Most Promising Senior Umpire.

Effective coaches and committed players have yet again worked together for good results and this ensures a strong and faithful club.

Congratulations to all teams, players, coaches and managers.

## Grass

We fielded four grass teams this year and this was an extra team up on last year – DP1, DP2, DP3 and DP4. The DP1 team did well and reached the major semi final.

The grass teams continued to be the fun teams of the competition with most DP teams ending up at the Downey Park bar at some stage on a Saturday. It's good to see ladies enjoying their hockey as this is what sport is all about.

Thanks go to coaches, managers and umpires as usual. Without your help we don't have a game.

## Representative Players

A number of players from the ladies section played as representatives of Brisbane, Queensland and Australia and these are listed in another section of this report. Congratulations to all those who achieved selection in representative teams.

## Club Captain

Fiona McQueen from DP1 did a fantastic job as Club Captain this year and will leave shoes that will be incredibly difficult to fill. Fiona also stepped into relieve as Club Secretary when needed mid year and her service to the Club this year has been outstanding. I thank Fiona for all her help this year – she has certainly made my life easier.

## Canteen and Umpiring

The Club continued with the canteen management this year. The ladies section undertook their responsibilities as required and for that management is grateful. The funds raised in the canteen do help

keep fees down and all ladies carried out their rosters without question or complaint. Thanks so much for your co-operation in this.

A special thanks to all players who carried out their umpiring duties. It is acknowledged that many people do not enjoy umpiring but it is a duty that we all need to carry out. Many hands make light work so the more that people help out the less we all have to do!

This year we continued payment for all umpires - \$30 for badged and \$15 for non badged. These payments seemed to dull some of the pain associated with umpiring and as usual, I thank those who umpired for doing it without too much complaint.

### **Volunteers**

A huge thanks to all those who volunteered this year to lighten the load within the Club. We certainly noticed the gap left by Helen and Bill Hill this year while Helen recovered from a serious illness. We wish Helen a full recovery and look forward to seeing her on the sidelines again soon. Thanks to all those who stepped in and filled in for technical bench and uniforms – jobs usually done by Helen.

Also thanks to my faithful band of helpers this year – Jane Newman, Kate Oudenryn and Fiona McQueen. Special mention also needs to be made of Jenny Tidey who provided advice and comments any time I asked.

To coaches and managers, also a huge thank you. My job is made much easier if I can communicate easily with all of you and I am grateful for your assistance when needed. After four years as Ladies Vice President I am stepping down and most likely leaving the job in the capable hands of Fiona McQueen. I thank all those who have supported me over the last four years – your assistance was invaluable.

Christine Blanchard  
**Ladies Vice President**

# Junior Boys Report

In 2011 KWSHC fielded 8 junior boys teams: 1 x J1, 1 x J3, 1 x U13 (Div 1), 1 x 13 Joint Venture team with Pine Hills Hockey Club (Div 2), 1 x U11 (Div 1), 2 x U9 and 1 x U7.

## J1

This year the J1 team began the season with uncertainty due to the withdrawal of the SWU contingent that had previously played at this level for KWSHC. As a result, the J1 team was a younger team than in past years and, given that, a number of players had not previously played in the J Division. Thank you to the young men who each week played the J1 Division. It was greatly appreciated to have the more experienced players support and assist in the development of the boys who were new to the Division. Also, it was a credit to those players new to the Division to meet the challenge placed before them. Also, credit to the coaching team of Jacob Jennison and Joshua James and to the Senior Men's Division for the support provided by players who regularly provided advice and encouragement to the team.

## J3

I am sure all the parents and players would agree that it was excellent experience to participate in the Grand Final for this Division. The players developed well throughout the Season and almost won the closely contested Final. A penalty corner blown against KWSHC with 10 seconds to play was unlucky. This did not deter the team who gallantly attempted to defend the winning stroke for the opposition. Every team cannot play a Grand Final every year. Therefore, to contest a Grand Final (Win or Lose) is a great effort by any team. Well done to players and coach. Congratulations to Sam Accutt for the wonderful job he did with coaching the team. Again, credit to the Senior Men's Division for the support provided by players who regularly provided advice and encouragement to the team.

## U13 (Div1)

Ethan Trigell as coach and Derick Saxil as Manager deserve a special thanks for keeping the team together which unfortunately lost a couple of players mid season. The team worked hard to allow the boys to continue enjoying a game each week.

## U13-Joint Venture with Pine Hills (Div2)

The U13 (2) team was a successful Joint Venture (JV) between KWSHC and Pine Hills Hockey Club (PHHC). During the pre-season, it became evident that PHHC had insufficient numbers to form an U13 team. Whilst KWSHC had sufficient numbers to complete an U13 team, discussions were held with PHHC to ensure their players were able to play Season 2011. As a consequence, the JV allowed for KWSHC U11 players the opportunity to play in a higher Division and develop their skills. The PH/KW team missed being the Minor Premiers for the Division by one (1) point and subsequently contested the Grand Final against the Minor Premiers. The result was a 0-0 draw and pursuant to BHA Rules the team higher on the Game Points ladder was awarded the Premiership.

## U11

The U11 performed very well throughout the season and it was encouraging to watch the improvement of the boys. Thanks to coach Brian Williams and manager Duncan Davis who were able to pass on the enormous amount of hockey experience that they have.

## U9 and U7

The Friday night competition was very popular this year. KWSHC fielded two under 9 teams with Jamie Wright and Tony Robertson each coaching a team. The under 7 team was coached by John Lee. A special thanks to these coaches who continue to encourage and support the players and make the sport fun. The teams attend and enjoyed two carnival days this year.

## **Development Programs**

KreW fitness was introduced pre-season in 2011 and was conducted by Regie Fisher. The program allowed the players to improve their fitness prior to the season beginning. Also in 2011, Specialist Coaching Clinics were introduced to provide more intense training in specific skills. The Learn Hockey Program was also run at the beginning of the year and the club managed to recruit a number of new players thanks to the program. The QUT development clinic was offered to players during the September school holidays.

## **Canteen and Fundraising**

The opportunity of being paid in 2011 for canteen roster and Friday night raffle ticket selling at Kedron-Wavell Services Club allowed for members to offset the cost of their fees.

Craig Fossey

**Junior Boys Vice President**

# Junior Girls Report

This year Kedron Wavel I Girls fielded an impressive 13 teams in the BWHA competition. Two teams – JT1 and 13A - came away as premiers, with JT2, 13 Turf, JGrass, 13B and 11C all making finals. Well done to all the girls, coaches, managers and parents. It is a group effort that makes our section run so smoothly.

To give you a rundown of each team:

- Junior Turf and Grass: thank you to Graham Taylor, Steve Lynch, Andrew Blanchard, Sheridan Cash and Ken Dohnt who took the time to coach each of these teams. Congratulations to all of you for maintaining enthusiasm in the players whilst instilling some great skills.
- Under 13's: thank you to Bec Kirchner, Darren Smith and Dion Harrison for their coaching this season. These teams had a fantastic year and the girls have grown enormously in their skill base. We see Darren head off for greener pastures of Toowoomba shortly so a special thank you to him and Pam for their contribution to the club.
- Under 11's: thank you to Karen Davis, Ian Smith and Anna Mehonoshen for coaching our Under 11's this season. The kids enjoyed their season and were able to lay some further foundations of their "hockey knowledge" with these coaches. Special thanks must go to Ian Smith who looks after our club website and congratulations to Karen Davis who was made a life member of the club this year.
- Under 9's & 7's: these players are our upcoming champions and it was definitely apparent that we are blessed with enthusiastic kids and parents this year. Thanks to Renee Taylor, Dave Hermann and Fiona McQueen for their unbridled patience with our littler ones.
- The start of the year saw fitness take off with a new concept "KreW Fitness", which was coordinated by Regie Fisher and Nick Lawlor. The kids loved it and we had great turnouts on Monday afternoon on the grass fields. This was a perfect kick start into the season and we are hoping to continue the concept in 2012.

As a result of the generous support of Kedron Wavell Services Club we have been able to again run an umpire development program in 2011. This program was run by Alyson Aleksic with the support of Allison Dewar. The program has been very successful with sixteen girls being mentored in a total of forty one games. We also had five receive their practical accreditation for the community level from BWHA.

Allison Dewar coordinated the umpiring roster this year and she was invaluable in ensuring our commitment to BWHA was fulfilled. Thank you goes to Allison, the girls and their parents for willingly completing their umpiring duties.

Big thank you to Christine Carr for her wonderful administrative assistance, Wendy Keegan for Treasurer, Kaaren Lane for her sausage sizzle expertise, Narelle Gerkhe for the cake stall, Carol Crisp for the canteen rosters, Kellie McGrory for uniforms, Julie McCarthy for photos and Regie Fisher for her continued enthusiasm and passion.

To the parents, thank you for your commitment to our club. To the girls, keep enjoying your hockey. It's a great way to meet new friends, get fit and have some fun!

Belinda Urquhart
