# President's Report

## On-Field Success

We had some well-spread success this year, with premierships won in every section, and the highlight being the Junior Boys winning the Stan Griffin Shield for the Club Championship.

As club championships are won based on the average performance of every team you have in the competition, this means that every boy playing in every game (and every manager, coach and supporter) was a very real part of that achievement. This is the first year we have won the Stan Griffin as Kedron Wavell – our last win was as City United in 1986.

And, as the year closes, it was great to see another K-Dub women's player debut for the Hockeyroos – congratulations, Audrey Smith!

## Off-field champions

I continue to be amazed by the efforts of those who make our Club happen off the field, organising teams, sections, fund-raising, canteen, uniforms and all the other myriad activities that make it possible for the players to run out every week and enjoy hockey. I want to note here my thanks, on behalf of the Club, to every single one of you and to all of you. I hope you can continue to be as generous with your time in the future, and that we can get more players, family and friends involved helping distribute the workload.

## Burringbar Park

Kedron Wavell continued to work with BHA and BWA to ensure a quality facility for our sport is maintained at Burringbar Park and to ensure it remains the 'Home of Kedron Wavell Hockey'.

The \$300,000 grant from the Federal Government has now been formally signed up; and BHMG has an application in under the State Government's current major grants program to progress the second turf.

The town planning around the whole of the Chermside community hub (library, pool, Services Club and Burringbar Park) has recently been reviewed; and happily the whole of the hockey area has been preserved in the plan – despite significant pressures for other developments.

## Our Principal Club Sponsor

2014 was the third year of our new sponsorship arrangements with the Services Club, and I want to again acknowledge the enormous support that is provided to our Hockey Club by Kedron Wavell Services Club.

Happily, the Services Club was able to lift their sponsorship back towards the level of previous years. Although not as high as it has been, the increased sponsorship nonetheless allowed us to keep fees down and allowed us to keep the books balanced this year.

## Club Management

The Club's Management Committee and Club Captains did another great job this year, and I was really pleased to attend another great end-of-season Junior's function, this year at the Bowls Club in Wavell Heights; and then follow with the Senior Presentation night at the Services Club.

That event once again highlighted for me the way in which our supporters, volunteers and parents are the platform of future success. I was personally delighted to see all of the joy at the recognition given to our Club's on-field and off-field supporters. As such, I again urge you to help the Club with whatever time and resources you can spare.

See you at the field in 2015!

John Davis

**Club President**

# Treasurer's Report

This Treasurer's report and the audited Financial Statements that are part of this Annual Report are prepared on a cash accounting basis.

## STATEMENT OF INCOME AND EXPENDITURE

2014 resulted in a net profit of \$18,472.57 (2013 Loss \$11,448.30) for Kedron Wavell Services Hockey Club "The Club". The improved results for 2014 are resulting from the following items:

- 50% increase to prior year sponsorship received from our major sponsor Kedron Wavell Services Club. This is still 25% less sponsorship than what was received in 2012 and earlier years but we are grateful for the increased assistance during 2014.
- 11% decrease in player registration and affiliation fees; this is due to the previously noted 2012 Brisbane Hockey Association fees of \$28,130.85 being paid in 2013. Removing the 2012 payment from the 2013 numbers shows that player fees increased by \$11,896.15 in 2014, this is in addition to the 52% increase (\$12,767.87) in training costs incurred by The Club, these increased costs are offset by a marginal increase of 6% (\$8,401.36) in player fees collected. This provides a challenge for the management committee in how to keep the sport of Hockey affordable to our members with key costs increasing each year.
- At year end the 2014 Senior Presentation dinner expenditure is still outstanding, hence year end functions expenditure reporting a decline in expenditure, and this will be resolved in 2015.
- The Canteen returned a profit of \$10,256.51 for 2014 (adjusted to \$7,834.01 as there is a payment for 2014 to be made in 2015). This is a 1% decline on prior year (adjusted 24% decline). Sales did not vary 2014 to 2013, however cost of goods sold expenditure increased by 8.8% (\$2,212.72). Profit share payable to BHMG in 2014 based on the 2013 results increased by 93% (\$902.16).

## BALANCE SHEET

It is pleasing to report that the Net Asset position of the club at year end is stronger than previous years at \$41,461.52 (80% increase). As noted above there are some expenses relating to 2014 still to be finalised however The Club again has some cash reserves.

The stronger cash position of The Club is attributed to the efforts of all sections in collection of fees however players need to be reminded that the 30 April fee payment deadline is critical so that The Club can meet its financial obligations when they fall due.

Thank you to the Section Treasurers and VP's for all their efforts during 2014 to ensure that fees are collected and banking and associated reports are completed on-time, your assistance is greatly appreciated.

Fiona McQueen  
**Treasurer**

# Men's Report

2014 was a year of considerable development and progress for the Kedron Wolves. The club was the only men's club in Brisbane to field additional teams in the men's competitions and was also the only club with significantly improved playing numbers. This was attributed to good recruitment, low playing fees and the fabulous spirit to be found at the Club.

Results were mixed across the Club. Our first, second and third grade squads are all young and developing teams and as a result finished at the tail end of their competitions however they were far more competitive than in previous years. The number and talent of juniors competing in these teams are great omens for successful years to come. Eight guys under 19 played regular first grade matches for the Club and their experience will stand us in great stead for the future. Kedron was especially proud to re-introduce a team into the third grade competition this year under the coaching of Paul Nixon. They had some struggles through the year but fought bravely, enjoyed themselves immensely and came away with some unexpected results.

Our fifth grade squad continued its' proud tradition of great performances by making the finals for the 687<sup>th</sup> consecutive year. To be honest it probably isn't 687 straight years but it sure seems like it. Our masters' squad were superb with a premiership in Masters 3 and a grand final appearance by the Masters 2 team. Great work guys!!

2014 saw the introduction of what we hope to be a future tradition for the Club: Captain's Day. This was a day early in the year where all men met for a few hours, played some social hockey, ate some food and the new Club Captain was introduced. This year the club captain was Luke Edwardes-Evans. Luke has been an enthusiastic and inspirational leader and we look forward to his continued involvement as a past club captain.

The Club could not be successful and continue with the hard work and energy of volunteers. In 2014 there were an extensive number of people who contributed to the season in management, coaching or other supporting roles. The Men's Committee: Brian, Andre and Doug, are all dedicated energetic men and deserve our recognition and thanks. Our Coaches and Managers; Matt Smith, Greg Forbes, Paul Nixon, Dave Henschell, Andre Antony and Brian Williams were all critical to ensuring great efforts by the Wolves.

2015 shows great promise for the club. The juniors who have had high level senior playing experience in 2014 will continue to blossom and there are a number of possible acquisitions which may bolster our playing numbers and strength. Bring it on!

Alan Myers  
**Vice President**

# Ladies' Report

Welcome again to that point, where we look back on our season and celebrate what a truly great Club Kedron Wavell is. Just like a real wolf pack, Kedron Wavell is a tight knit community, bound not only by family units but by ties of affection and mutual aid, adopting members who can offer great skill to the pack.

I'd like to open this year by acknowledging all those people who make a Club like this tick. Thank you to our coaches – Nikki, Andrew, Ian, Ken, Pam, Elaine and Kim, who give their time, their knowledge and their expertise all season to help us grow and develop as players.

Thank you to Christine Blanchard for her administrative prowess and expertise in navigating the black arts of BWHA and to Fiona Taylor for her amazing skill as Keeper of Coin.

Thank you to those who pick up a whistle and umpire. There aren't by far enough of us willing to take on this very important role.

Thank you to each of you who coached a junior team, encouraging our senior players of the future.

Thanks for the canteen duties full of hot chips and hamburgers, thank you for selling raffle tickets, for selling, ok and buying and consuming fundraising chocolates.

Thank you for every minute that you find in your busy life not just to turn up and play but to actually give back to your club, to your pack. So many things happen off the field that make a hockey club like this tick and hum.

And without those of you who answer that call, who choose to find the extra time, lend the extra hand, take the extra shift we couldn't be the great club, the great pack that we are.

So when the call comes out, and it will, for management committee, coaches, umpires and alike, please ask yourself if you can find the time to give back to your club, to help your hockey community, your hockey family, your wolf pack.

In 2014, with four teams on the Turf in Divisions 1, 2, 3 and 4, four teams on the grass in DP1, 2, 4 and 5 and a somewhat noteworthy Masters 2 team (I'll get to them a bit later), six of those teams made finals this year. A great year for the Ladies Section.

Our Division 1 team has had back to back years of which to be proud. In pre-season, they became back to back Tiger Turf Cup winners. After securing Kedron Wavell's name on the Minor Premier's, Taxation Shield last year for the very first time, just to be sure they thought they'd better back to back that one too. Not to be outdone, Coach Nikki Taylor also secured her name again on the BWHA Jan Hadfield Shield for Highest Coaching Honours. While a grand final eluded us this year, this team still has much of which to be proud.

The BWHA Pam Glossop Shield for Highest Representative Honours will also spend another year at Kedron Wavell, this year being awarded to Audrey Smith for her Australian Juniors selection. Congratulations also to Morgan Gallagher - recipient of this year's BWHA Shirley Otto Shield for Rookie of the Year.

Congratulations to our Division 2 and Division 3 teams for both finishing 4<sup>th</sup> in their respective competitions. I'd also like to take the time to acknowledge Division 4 making it through the season, with low numbers and injuries, this team did to tough this year, but still managed to put a team on the field each week and play as hard as they could.

Congratulations to DP1 who through an inconsistent season, managed to do one better than last year and finish third. To DP2, the little engine that could, for while not having a ladder spot worth reporting, they showed each week what being a team is all about. Mighty DP4 finished 3<sup>rd</sup> this year, with Kate Oudenryn being awarded BWHA's Best and Fairest for DP4. Congratulations Kate. And to DP5, the team that might lack in wins but certainly have enthusiasm and humour in spades.

Great season all.

So that's all our 2014 Ladies Teams covered, except that one little Monday Masters 2 team full of old chooks who eat too many lollies at half time and often complain about the cold. It's ok, I can say that, coz I'm one of

them. You see when the season opened in March with a mixed Masters 1 and Masters 2 competition, no one, least of all them, expected to make finals. Then the competition split the playing field got a bit more even and the wins started to come. And after beating the same Commercial team three times in four weeks to make the Grand Final, while hopeful, the majority expected Minor Premiers Redlands to win.

But on a chilly Monday night at the State Hockey Centre just a few weeks ago an amazing thing happened....after being drawn nil all at half time, KateO popped a goal in the corner (followed by the customary heel click of course) and the well renowned Kedron Wavell defensive skill, anchored by Australian Masters Goal Keeper, Belle Davis, held Redlands out for the rest of the game. As an added bonus, Allison Dewar, belovedly known to us as Mary, was awarded BWAH Best and Fairest of the Grand Final.

Tracey Sullivan  
**Ladies Vice President**

# Junior Boys' Report

In 2014 the junior boys' section fielded seven teams: J1, J2, U11, U13, 2 x U9 and U7. This year we were able to field a J1 team which was a result of hard work by the section in previous years. This team finished a solid 5<sup>th</sup> and coming years are looking good for boys' hockey.

A particular achievement of note was the winning of the Brisbane Hockey Association Stan Griffin Shield for the best junior boys club in the Association. Our club has not won this award since 1986 so it has been a long time coming again.

Once again, the Junior Boys' section recognises the work of Michelle Weekes in driving the Hook into Hockey program that is so successful in bringing new members to both our Club and the sport of hockey. In 2014, of the 82 boys and girls who took part in the Hook into Hockey program, 55 signed up for the season. That's a success rate of almost 70% and a great opportunity to promote our sport. Hook into Hockey was pivotal in Kedron Wavell being awarded the very first Club of the Month by Hockey Australia, bringing with it a great deal of publicity and exposure for our club.

In August the Junior Boys Vice President and Secretary, Stewart Fleming and Kylie Fuller, resigned. The Club thanks both Stewart and Kylie for their efforts in previous years in building the boys' section.

Christine Blanchard  
**Club Secretary**

# Junior Girls' Report

2014 saw Kedron Wavell Girls register fourteen teams in the BWHA competition: an increase of four teams from the previous season. This increase in player numbers and teams registered in the BWHA competition is a positive result for the club and is due largely to the dedicated efforts of Michelle Weekes and the "Hook into Hockey" program. Through Michelle's efforts Kedron Wavell Services Hockey Club was awarded the very first "Club of the Month" by Hockey Australia, bringing with it a great deal of positive publicity and exposure for our club.

On the field our JT1 girls took out the minor premiership and were overall premiers winning a very exciting and action packed extra time grand final. Our U11C girls finished second at the end of the fixture rounds and went on to draw the grand final which placed them in overall second position. Of the remaining twelve junior girl's teams, five others finished in the top three in their respective divisions whilst all others finished the season strongly.

To give you a rundown of each team:

- Junior turf and grass - thank you to Bec Kirchner, Darren Smith, Abbey Hawker, Lee Hillas, Ken Dohnt and Eleanore Mason who took the time to coach each of these teams. Congratulations to all of you for maintaining enthusiasm in the players whilst instilling some great skills.
- Under 11s - thank you to Jacqui McGrory and Tracey Sullivan for their dedicated efforts coaching this season.
- Under 11s - thank you to Pam Pattison, Cindy Johnson and Alissa Hickson for coaching our Under 11s this season. The girls enjoyed their season and were able to lay some very positive foundations for the future years successes of our club with these coaches.
- Under 9s and Under 7s –thank you to Karen and Brendan Downes, Dion Harrison, Joe Ross, Kim Abbott and Paul Di Tullio for their commitment and passion coaching our future up and coming champions.

This year, many of our girls trialed for representative selection in the different age groups. Congratulations to all who were successful and I encourage all players to continue to seek representative honours in the future.

In particular I would like to acknowledge and thank the effort and support of our Ladies Club Captain Rebecca Kirchner. Rebecca has for a number of years now supported the individual player development of our junior girls through her skills coaching.

Managers are invaluable in assisting coaches to ensure that the team dynamics run smoothly. We are fortunate that individual parents within each team put their hand up to coordinate canteen rosters, umpiring, game times, photo's, fundraising etc. Your efforts are sincerely appreciated.

To the parents, thank you for your commitment to our club. This year was a little different to others as we had to do canteen and raffle rosters. It is appreciated that this ran smoothly and was coordinated primarily by the team managers.

As always there are a number of people within our club that deserve individual recognition for their efforts and contributions to the season.

Christine Carr coordinated the umpiring roster this year and she was invaluable in ensuring our commitment to BWHA was fulfilled. Thank you goes to Chris, the girls and their parents for willingly completing their umpiring duties.

Kaaren Lane and Fiona Taylor who for a number of years now have been our junior boys/girls and club treasurers. It is through their efforts and assistance that enables our player fees to be kept as low as possible.

Lisa Newbold and Shirley Woodward mid-season undertook to re-establish and run the sausage sizzle on training nights. Your efforts and commitment on a cold winter's night were very much appreciated by all.

Finally a very big thank you to Natasha Gaddes, our junior girls secretary for her wonderful assistance in keeping our club functioning whether it be her tenacious efforts to ensure our girls were attired in the correct uniform, coordinating fundraising efforts across the junior girls section, attending BWA monthly meetings, coordinating player registrations and team selection trials or just her waning efforts ensuring that the junior girls section ran smoothly. Natasha's contribution to the success of your daughter's hockey this season cannot be understated and I would like to personally acknowledge and thank her for the support that she has provided our club.

I am sure that there are many other parents and supporters that have contributed in some way throughout the season, to you all a big thank you for the Junior Girls Committee.

As you can see it is the effort of many individuals working as a group that makes our season so successful and enjoyable for our daughters.

In closing I would like to acknowledge all of the older girls who, by age, have played their last game of junior girl's hockey, proudly for Kedron Wavell Services Hockey Club. These young ladies are moving up into the senior ladies section: thanks for your commitment to the development of our junior girls section and keep playing and enjoying your hockey.

David Hermann  
**Junior Girls Vice President**
