President's Report

On-Field Success

In 2015 we again had some well-spread success, with premierships and minor premierships to be celebrated (vociferously) on both Junior and Senior Presentation Nights; following on from 2014 with premierships won in every section and the Junior Boys winning the Stan Griffin Shield for the Club Championship. Once again, it was also great to see KW players turning out for national teams, including the Hockeyroos, and the Men's Australian Country team and Trans-Tasman Masters.

Off-field champions

Once again I am overwhelmed by the efforts of those who make our Club happen off the field, organising sections, canteen, teams, partnerships and all the other myriad activities that make it possible for the players to run out every week.

As I have done in previous years, I again want to note here my very sincere thanks, on behalf of the Club, to every single one of you and to all of you. You are all both the foundation of the club and the framework on which we build the outwardly-noticed success and player enjoyment.

I really do hope you can continue to be as generous with your time in the future, and please encourage any of your players, family and friends to get involved to help distribute the workload. Volunteering is a genuinely rewarding life experience.

Burringbar Park

Kedron Wavell continued to work with BHA and BWA to ensure a quality facility for our sport is maintained at Burringbar Park and to ensure it remains the 'Home of Kedron Wavell Hockey'.

However, the development here is now caught up in tension with other proposed facilities in Brisbane seeking support from the State and Local Government; and we will need to wait for the dust to settle. I am, in that regard, personally disappointed that other parts of the hockey community are potentially 'throwing away' \$300,000 of Federal funding that has been made available to Brisbane hockey – but to each their own reasons...

Our Principal Club Sponsor

In 2015 the Kedron Wavell Services Club stepped up a notch with their contributions to supporting the hockey club, and I want to again acknowledge the enormous support that has again been provided to us. Please continue to support the Services Club as you can – in just a little reflection of how very good they are to all of us!

Club Management

The Club's Management Committee and Club Captains did another great job this year, and I was really pleased to attend another great end-of-season Junior's function, again this year at the Bowls Club in Wavell Heights; and then follow with the Senior Presentation night at the Services Club.

Each event once again highlighted for me the way in which our supporters, volunteers and parents are the platform of future success. It was great to see all of the joy at the recognition given to our Club's on-field and off-field supporters – particularly to Tash Gaddes as the winner of the Patron's Trophy in 2015 following a similarly thunderous ovation to Michelle Weekes in 2014.

Finally, the Club gave a very loud vote of acknowledgement on Senior Presentation night when a very deserving Christine Blanchard was inducted as our newest Life Member.

See you at the field in 2016!

John Davis
Club President

The logo for Kedron-Wavell Services Club features the name 'Kedron-Wavell' in a large, stylized, cursive script. Below this, the words 'SERVICES CLUB' are written in a smaller, clean, sans-serif font, underlined by a thin horizontal line.

Treasurer's Report

This Treasurer's report and the audited Financial Statements that are part of this Annual Report are prepared on a cash accounting basis.

STATEMENT OF INCOME AND EXPENDITURE

2015 resulted in a net profit of \$14,992.87 (2014 profit \$18,472.57) for Kedron Wavell Services Hockey Club "The Club". The 2015 result should be read with the following notes:

*As noted in the 2014 Treasurers report the 2014 senior presentation dinner invoice was not paid at year end and was paid in the 2015 financial year hence why the 2015 expenditure appears significantly higher than 2014.

*The canteen returned a profit of \$9,357.80 for the year; this is down on 2014 due to decreased revenue (-5.5%).

*As at 30 September 2015 (year-end) the following expenses are outstanding and due to the method of accounting being cash are not included in the Statement of Income and Expenditure:

- Men's registration fees \$8,578.00
- BHA Annual Dinner \$600.00
- Men's coaching payments \$8,000.00

*As at 30 September 2015 uncollected fees are:

| SECTION | SEASON | | | | TOTAL |
|---------|---------|------|---------|------------|-------------|
| | 2015 | 2014 | 2013 | 2012 | |
| MEN | \$8,950 | | \$6,360 | \$5,306.50 | \$20,616.50 |
| WOMEN | | | | \$415 | \$415 |
| BOYS | | | | | |
| GIRLS | | | | | |
| TOTAL | \$8,950 | \$0 | \$6,360 | \$5,721.50 | \$21,031.50 |

BALANCE SHEET

Net assets of The Club have again increased in 2015 to \$56,454.39 (36% increase). As noted above the men's section has expenses still to finalise for season 2015 and income to collect to meet this expenditure.

The Club's policy of 30 April deadline for the payment of player fees is crucial for The Club to be able to meet its financial obligations during the season. The Boys, Girls and Women's sections are to be commended on their continual adherence to this policy. Unfortunately the Men's section has not collected their fees in a timely manner and this has resulted in financial commitments not being met on a timely basis.

A special note of thanks must go to Kaaren Lane who has been a section treasurer for the last 10 years for the Boys, Girls and most recently the Women's section. Kaaren is stepping down from these roles but is to be thanked for her support and dedication to The Club.

Ladies' Report

It's now the end of another season. Uniforms put away for another year. Many of us are looking forward to an off season full of extra time on weekends and cars free of that sweet smell of hockey gear and in my case free of grass. Those gluttons for punishment among us are lining up for summer hockey or indoor hockey keen to keep our skills and fitness in check.

It's the time of the year where we're proud to be Kedron Wavell Wolves where we appreciate and acknowledge those within our pack who've contributed to what makes this club great, through their skills and determination on the field or their commitment to building the club from the sidelines.

I'm proud to be a wolf because I get to work with a diligent and committed management team, whose contributions seek to make this club the best it can be. Thanks especially to Christine Blanchard, my sounding board in most things, and to Fiona Taylor for keeping us on the financial straight and narrow.

I'm proud to be a wolf because we have amazing people who give their time to coach and organise teams each season. Thanks to Nikki, Leslie, Andrew, Ken, Barry, Elaine and Kim, who give their time, their knowledge and their expertise all season to help us grow and develop as players.

I'm proud to be a wolf because not only do we have a diligent and committed group of key umpires but as a club we recognise the importance of umpires in our game. We have a program to promote junior umpires and have senior players who mentor these umpires of the future. We are also starting to have meaningful conversations about how encourage and support players to be confident to try umpiring, as we need to grow the number of umpires in our senior ranks.

I'm proud to be a wolf because of the twelve Junior Girls teams fielded by the club, eight of them are coached by senior ladies players. Thank you to Bec, Lee, Abbey, Ellie, Sam, Kim, Laura and Claudia for supporting the cubs within our wolfpack.

I'm proud to be a wolf because I play in a club with people who understand the importance what their contribution of a canteen duty here, the sale of a book of raffle tickets there, makes to the club. Your commitment to what seems like a small thing has a big impact when all 100 or so of our players do it.

I'm proud to be a wolf because I'm surrounded by people who understand that the success of a community club such as ours relies on lots of people finding time in their already busy lives to do something more than just show up, play and go home.

I'm proud to be a wolf because, while the Ladies Section doesn't have any premierships medals to show this year, we had five of our eight ladies teams with finals berths, resulting in a minor premiership and runners up medal for DP4, Division 1 and Division 2. DP2 finished third and Division 3 finished fourth in their respective competitions.

I'm proud to be a wolf because I know that these results will make these teams and players bear their fangs and work hard to chase a premiership next season.

I'm proud to be a wolf because I share this club with far too many players with representative honours to list them all, however I would especially like to acknowledge Audrey Smith for her Australian Juniors selection and Leslie Anderson and Elaine Badini for their first Queensland Masters Selections.

I'm proud to be a wolf where we honour players and club members at trophy night at every level for what they bring to the club. Thanks to Kim and Clinton for being club captains this year, to Christine who organises trophies and liaises with the RSL to get the logistics of the trophy night right, thanks to Fiona who takes care of ticket sales and seat allocation and thanks to Ian Smith who helped us this year trial PayPal as a payment option.

I'm proud to be a wolf, are you?

Junior Boys' Report

The Junior Boys had another outstanding season in 2015. Our teams celebrated success on the field, we had a number of players achieve representative honours for the first time, and we were proud to witness the improvement in individual skills and teamwork across all age groups.

Teams

This year we fielded seven teams, across all age groups in the Brisbane junior competition. We welcomed 18 new players to the wolf pack in 2015, most of whom joined us through the Hook into Hockey program. All teams had success throughout the season and we capped it off with an exciting finals campaign with half of our competitive teams reaching the semi-finals. Big congratulations to our U11 team who made it all the way to the grand final and took out the joint premiership.

Representatives

During 2015 we were very pleased to see a large number of the wolf pack represent the club with distinction at junior representative levels. Special mention to Lewis Fossey who was selected to represent Queensland at the U15 National Championships in 2015 and has been named in the 2016 U18 Queensland squad.

Fundraising

On the fundraising front, the junior boys held a Bunnings BBQ on the Saturday before Mother's day. The BBQ was a success and with the assistance of all our volunteers we were able to add an additional \$2,500 to the junior boy's section budget. It was great to see the wolves' team spirit on display with so many of our players lending a helping hand. This additional fundraising means we can look to increase our field usage and development sessions in 2016.

Development

The junior boys would like to acknowledge Mick Evans, Regional Coaching Director with Brisbane Hockey Association, for his assistance throughout the year. Mick attended Kedron Wavell training and conducted a community coaching accreditation course for all interested parents and returned to conduct a development session for our interested Junior Boys.

We conducted a Sunday morning development session in March which was well attended by our junior players. In 2016 we hope to increase the development opportunities for all interested junior players.

Acknowledgements

We wanted to say a big thank you to everyone for their help and support during season 2015 – it was a bit of a learning curve for us both but we are happy with how the season turned out in the end. We have identified some improvements we would like to implement next year such as additional clinics for players, coaches and support for new parents to the club.

We would like to acknowledge the efforts of our departing junior boys' secretary Jemma Baker. Jemma worked tirelessly behind the scenes to ensure the junior boys' section operated smoothly.

We look forward to an exciting 2016 for the junior boys section.

Junior Girls' Report

2015 saw Kedron Wavell Girls maintain and register twelve teams in the BWA competition from U7 through to JT1 grade. This represents consistent player membership numbers and is due largely to the dedicated efforts of Michelle Weekes and the "Hook into Hockey" program from the previous 2014 season.

On the field our club enjoyed success with the JG2 girls being joint premiers in their competition and our U11C and U11D teams finishing the season strongly winning their respective grand finals.

The remainder of our teams enjoyed mixed results within their individual competitions with all teams competing strongly throughout and until the end of the season.

I would like to personally acknowledge and thank the following persons for their individual commitment and efforts in developing our junior girl players.

- Junior turf - Bec Kirchner, Abbey Hawker, Lee Hillas, Pete Gaddes, Sam Le Moeligou and Neil Shearer. Congratulations to you all for taking the time the time to coach each of these teams whilst maintaining player enthusiasm and instilling some great skills.
- Junior Grass - thank you to Ellie Mason, Tracey Sullivan, Taylor Quirk, Hannah Corley and Cindy Johnson for coaching our junior grass teams this season. The girls enjoyed their season and each of you was able to lay some very positive foundations ensuring the success of our club in the coming years.
- Under 9s and Under 7s – thank you to Catherine Burchill, Claudia Dohnt, Kim Abbott and Laura Rivers for your commitment and passion coaching our future up and coming champions.

This year many of our girls trialled for representative selection in the different age groups. Congratulations to all who were successful and I encourage all players to continue to seek representative honors in the future. See details of players who gained representative selection further in this annual report.

Managers are invaluable in assisting coaches to ensure that the team dynamics run smoothly. We are fortunate that individual parents within each team put their hand up to coordinate canteen rosters, umpiring, game times, photo's, fundraising etc. Your efforts are sincerely appreciated.

To the parents, thank you for your commitment to our club. This year was a little different to others as we only had canteen rosters to fulfil to assist the clubs finances. To supplement our fundraising efforts we undertook a very successful cookie dough fundraising drive raising much needed funds for the club. Everyone's efforts were sincerely appreciated.

As always there are a number of people within our club that deserve individual recognition for their efforts and contributions to the season.

Revel Lockton coordinated the umpiring roster this year and she was invaluable in ensuring our commitment to BWA was fulfilled. Thank you goes to Revel, the girls and their parents for willingly completing their umpiring duties.

Kaaren Lane and Fiona Taylor for a number of years now have been our junior girls and club treasurers. It is through Kaaren's and Fiona's dedicated efforts and assistance that enables our player fees to be kept as low as possible. I would like to especially acknowledge Kaaren's dedication and efforts over the last ten years to this position and wish her well in any future role that she undertakes within the club.

Lisa Newbold ran a very successful sausage sizzle on those cold winter training nights. Your efforts and commitment were very much appreciated by all who enjoyed your services and we look forward to your continued support and involvement in the club.

Finally a very big thank you to Natasha Gaddes, our junior girls secretary for her wonderful assistance in keeping our club functioning whether it be her tenacious efforts to ensure our girls were attired in the correct

uniform, coordinating fundraising efforts across the junior girls section, attending BWA monthly meetings, coordinating player registrations and team selection trials or just her unwavering efforts ensuring that the junior girls section ran smoothly. Natasha's contribution to the success of your daughter's hockey this season cannot be understated and was justly recognised at our awards evening with awarding of the KWSHC Patrons Trophy. I would like to personally acknowledge and thank Natasha for her efforts and support that she has provided each and every player in our club.

I am sure that there are many other parents and supporters that have contributed in some way throughout the season, to you all a big thank you for the Junior Girls Committee.

As you can see it is the effort of many individuals working as a group that makes our season so successful and enjoyable for our daughters.

In closing I would like to acknowledge all of the older girls who, by age, have played their last game of junior girl's hockey, proudly for Kedron Wavell Services Hockey Club. These young ladies are moving up into the senior ladies section: thanks for your commitment to the development of our junior girls section and keep playing and enjoying your hockey.
