President's Report

Despite a few COVID19 interruptions, we all made it to the end of season 2021, albeit a few teams with shortened seasons and/or finals series.

But we got there – unfortunately the delayed men's season completion meant that we went into senior presentation night not knowing the fate of the 4 men's teams that were in finals contention. Happily, the Men won the Premiership in all four of those divisions – finishing the season with 4 premierships from their 8 teams, the most of any Brisbane Men's Club. Given they couldn't be recognised at their Presentation Night, I thought it worth special mention in this report.

As it did in 2020, Hockey as a sport responded wonderfully – at every level – to the challenges of COVID. In particular, it was great to see the Wolf Cup in full swing again – it really has become a symbol of our Club's contribution to hockey in the region. The whole team behind the Wolf Cup deserves huge credit for what they set up and continue to achieve.

The Club's Management Committee and Section Committees did another great job this year in the circumstances, and together with all of you who contribute to make our Club activities happen off the field: organising sections, canteen, teams, partnerships and all the other myriad activities that make it possible for the players to run out every week, I thank you. Your contributions are substantial and magnificent, and we wouldn't survive without you.

The canteen operation hit new highs this year with a full season on two fields and COVID restrictions off; and congratulations to Tracey O'Connor for her achievement in both the canteen operation and, fittingly, recognised as our newest Life Member at season's end.

By the middle of the year we saw the second change rooms officially opened and put into operation. Kedron Wavell should be especially proud of that opening, as it was the lobbying efforts by key Club managers that made the difference in securing that facility; just as it was for the second turf.

With hopefully a full season in 2022, and no restrictions, I'm sure we're all looking forward to a Club Day in that allows us to get the Downey Park teams to come out and play at the same venue as the turf teams.

It's worth noting again the tremendous support we received for this facility from Brisbane City Council and we are once again incredibly grateful for the support of our local Councillor, Cr Fiona Hammond. Thanks also to the support of the State Government and our local member, Jimmy Sullivan MP, who has already become a great supporter of all the activities at the Club.

Again, this year we were really grateful for our physiotherapy partner Allsports Physiotherapy; who have given great support to and played a really important role in the success of, both the Men's and Women's Division 1 teams. Look them up on our Club website – along with our other sponsors and partners – they are all worth your support when you need the services they provide.

And finally, a huge thank you once again to Kedron Wavell ... the Services Club ... for their continuing generous support of Kedron Wavell Hockey.

See you again at the field in 2022 ... in my case with a new hip joint in some scheduled off-season repair work 😊

Go Wolves!

John Davis
Club President

New Life Member

This year we welcomed Tracey O'Connor onto the prestigious list of Life Members.

Joining the club in 1981, her list of accolades and contributions to our Club is extensive. She has coached both at a Club level and a representative level. She was a key member of the City United Executive Management team, holding various positions including Secretary, Treasurer and Junior Girls VP. Club Captain in 1994, and the 2019 recipient of the Patron's Trophy, her dedication is unmatched. As umpire, time steward, grading and archives, she's served in many roles and more recently as our Burringbar Park Canteen Convener.

A wolf through and through, congratulations to our newest life member, Tracey O'Connor.

Thanks!

We would like to acknowledge and thank Jenny Tidey OAM and Christine Blanchard for their tireless efforts and commitment to their management positions in the Club.

Jenny Tidey OAM has committed 14 years to her Patron position within the club, in addition to her stint as the junior girls and senior ladies Vice President roles from 1976 to 1988 and again in 1996 and 1997 and President at both City United in 1993 and Kedron Wavell in 1994.

Mrs Tidey is very rarely not seen on the “Hill-Tidey hill” supporting the Kedron Wavell Wolves, and many have stated they wouldn’t know Kedron Wavell without Mrs Tidey and Mrs Hill supporting over the years. Mrs Tidey mentioned in her parting letter to the Club that her fondest memory within the Patron position was watching the mighty ladies Division 1 win their very first premiership in 2019.

We thank you, Mrs Tidey, for your guidance and continual support to the Kedron Wavell Hockey community within the club Patron role and we look forward to you remaining on our sidelines.

Christine has also decided to step down from the Club Secretary role after 10 years in the role. Over the years, Christine has also been the senior ladies’ treasurer in 1993, 1994, 2006 to 2007 as well as the ladies Vice President from 2008 to 2011. Christine has had a large impact on shaping our ladies grass section, seeing our successful grassroots hockey continuing each year.

Thank you, Christine, for your contribution over the last 10 years within the club secretary position.

Partnership Manager's Report

Kedron Wavell Service Hockey Club would like to thank our official 2021 partners:

- Kedron Wavell Services Club
- Allsports Physiotherapy and Sports Medicine Clinic
- Hockey Pro Shop

We also say thank you to our key suppliers Kukri, Online Hockey and Ciriello Hockey Equipment.

The Club's major sponsor is Kedron Wavell Services Club. As major sponsor, Kedron Wavell Service Club makes a significant financial contribution to the running of our club. All members are strongly encouraged to support our major sponsor and take advantage of the great facilities the Kedron Wavell Services Club has to offer.

The Club is fortunate to receive support from both State and Local Governments which assist the club in hosting and running events to benefit our members. We are very grateful for this ongoing support and the benefits it provides to our club and the sport of hockey.

There are members who make donations to the various sections of our clubs, who seek no recognition for their generosity. The Club thanks you for your ongoing support and know that it is greatly appreciated.

At the beginning of the season The Club's playing apparel provider Kukri handed over what stock it was holding on our behalf so that the club was able to meet the uniform requirements of players in a timelier fashion. Moving forward the Club will be purchasing playing uniforms and holding this stock on the Hockey Pro Shop so players can have ready access to apparel. During the year The Club also worked with Kukri to design a rugby supporter's jersey which was made available to players. The Club will be looking to do this again in 2022.

One of the great successes off the field is the Hockey Pro Shop which continues to grow. A highlight of 2021 was the Hockey Pro Shop relocating into the refurbished 'donga' at the southern end of Burringbar Park. Special thanks must go to Pete and Tash Gaddes and Dean Beerhalter from Beerhalter Painters, ably supported by a willing team of volunteers, who oversaw the refurbishment of the donga. Further, the Hockey Pro Shop was excited to enter new partnerships with Mercian Hockey and Gryphon Hockey which further strengthen The Shop's position in the market as a retailer of quality hockey sticks and accessories. If you haven't already, make sure you pop in and say hi!

Brisbane Hockey Management Group Report

Kedron Wavell Hockey is one of three associations which form Brisbane Hockey Management Group (BHMG). The other associations are Brisbane Women's Hockey Association and Brisbane Hockey Association. Each association appoints 3 directors to the Board of BHMG with the 2021 Club appointees being Amanda Paech, Ian Jones and Ian Harcla.

The Group holds the lease for the Brisbane North Hockey Centre, Burringbar Park and is responsible for the management and upkeep of the facility.

With the completion of the second artificial surface (field 2) and the renovation of the grass field the facility now has its full complement of fields to service the Brisbane hockey community and other ancillary sports.

While 2021 was affected by COVID the facility was close to fully utilised during the winter season demonstrating the high level of demand for quality hockey facilities on the northside of Brisbane. The Board of BHMG is now focused on how to maintain the facility at the lowest possible cost to its users. While our Club is a prominent user of the facility and a key contributor to the Board, its interests and those of other users must be managed by the Board to ensure the facility remains financially sound.

Key objectives for the Board in the year ahead are:

- Replacement of the turf and underlying shock pad on field 1 which has now had 11 seasons on it and is showing serious signs of wear. While BHMG has a substantial balance in its sinking fund it still requires significant funding from governments (\$250 to \$300k) to meet the final cost. Applications/submissions to all 3 levels of government are being used to finance the project but the Board is mindful of the substantial costs incurred by governments in fighting the impacts of COVID and subsequent budgetary limits. It is not expected that the replacement of the turf will be completed until late 2022 at the earliest.
- Improvement in spectator facilities including canteen expansion and viewing infrastructure. With the higher level of use of the facility the canteen needs expansion to accommodate increased demand. The initial focus will be on short term enhancements of the existing canteen facility while plans are drawn up and funding sought for a larger project to construct new facilities to accommodate the canteen and spectator viewing.

BHMG Representative

Men's Section Report

The 2021 hockey season has been fairly disruptive with a couple of lockdowns in Brisbane. The stop starting of the season made it very difficult to keep everyone involved.

There are a few people I would like to thank, they have been an enormous help to me this year, without them, I couldn't have taken on this role. Honestly, they really carry most of the load.

Michelle Weekes - Men's Treasurer and Brian Williams Men's Secretary, both have made a huge contribution this year. Michelle with budgeting at the beginning of the year, chasing all outstanding fees, setting up payment plans. She did an amazing job. Brian Williams, has assisted with sending out correspondence to the men section, keeping them up to date on all matters. Brian also coordinated the master's teams and managed the Division 2 men's side and maintained all registrations.

I would also like to thank Ian Jones, John Davis and Ian Harcla - they are the most supportive guys I know, whenever I have needed help, they have been more than happy to assist.

TEAMS

The men fielded 8 teams in 2021 in the following divisions.

Division	Place	Coach	Manager	Team Award
BHL 1	6	Greg Browning/Ben Smith	Ben Smith/Joanna Carnaris	Troy Rossiter
BHL 2	10	Tony Dodd	Brian Williams	Tom Couch
BHL 5	8	James Treeby	Josh Andrews	Lachlan Caddy (GK)
BHL 6	1	Scott Macaulay		Brett Leslie
MM1	4	Duncan Thorne		Kula Bhullar
MM3	1	Brett Leslie		Tony Dodd/Scott Macaulay
MM4	1	Duncan Davis	Karen Davis	David Todd
MM5	1	Brian Williams		Ross Standen

BHL 1

Initially coached by Greg Browning and managed by Ben Smith. Changes were made halfway through the season with Greg stepping down as Coach. I would like to acknowledge Greg's efforts and appreciate him coaching the Division 1 side. Ben Smith stepped into the coach's role and Joanna Canaris as manager where they completed the season 6th on the ladder. Despite mid-season changes the men finished the season strongly with notable progress and with endeavours to continue their progression in 2022.

BHL 2

Our division 2 men were a developing side with a lot of young players. Whilst they finished the season in 10th, they had some positive games that they came close to winning. By the second half the season the improvement in this developmental side was evident. Thank you to Tony Dodd coaching and Brian Williams management.

BHL 5

A great mix of old heads with some of our juniors and are one of our 2 Sunday afternoon social teams. Whilst a competitive bunch they very much enjoy the social aspect of the game. The numbers are definitely growing on a Sunday afternoon and the Wolves hope to enter a division 4 team next season. Thank you to James Treeby and Josh Andrews for coaching and managing this team.

BHL 6 Minor and Major Premiers

Division 6 finished the season as minor premiers and major premiers. John Dexter was named player of the final. Losing their Goalkeeper early in the season due to injury set them challenges but had able replacements with Tom King and Simon Fuller. With many registered players both full time and casual Scott Macaulay did a wonderful job of coaching and managing this team.

MHL 1

This season was the first time the Wolves had a division 1 master's side. This grade had both division 1 and 2 combined and then split into 2 divisions after the first-round standings were complete. The Wolves finished the series

4th in division 1 a very commendable effort with promise going forward. Thank you to Duncan Thorne for coaching and managing this team.

MHL 3 - Minor and Major Premiers

A successful year for this team winning both Minor and Major premiers. John Dexter was named player of the final. MHL3 were definitely the quiet achievers this year. Thank you to Brett Leslie for coaching and managing this team.

MHL 4 - Minor and Major Premiers

A milestone was achieved in MHL 4 and MHL5 by having 2 sets of brothers playing. Andre, Graham and Grendall Antony alongside Art and Duncan Davis. The brother's camaraderie contributed to the team's success and enjoyment. This team were Minor Premiers, Major Premiers and winners of the Memorial Cup with Baeden Choppy awarded Player of the final. Thank you to Karen and Duncan Davis for managing this team.

MHL 5 - Minor Premiers and Major Premiers

With growing numbers, the Wolves fielded a fourth master's team for the first time in 2021. This brought challenges with this team significantly clashing with another team's uniform. We introduced an alternate team shirt predominantly white for this team proudly sponsored by Infrastructure Transaction Network. MHL 5 were also Minor and Major premiers with Nigel Hedgcock named player of the final. Thank you to Brian Williams for coaching and managing this team.

Karyn Argent
Men's Vice President

Women's Section Report

2021 was a great year following from a shortened 2020 season. Whilst we had some ups and downs with restrictions and lockdowns, it was only short stints, and we had a reduced finals series, but we got a season in.

The three Downey Park teams continued for another season, with a small change in coaching ranks. John moved up and looked after DP2, with Fiona Taylor onboard as manager for a while this year, up until she had bub number 2. Congratulations Fiona on the birth of your son. Elaine continued to hold down with DP3 and had a muck around season with games sometimes being halved and played as two. DP5 saw Tracey O'Connor back in the coaching bib, and with some new faces in this team, the team had some wins and some knocks, but all-round a great season. Unfortunately, our DP teams didn't make it to the final's rounds, but great fun by all.

Rounding out the season on grass, after a stellar performance all around, Allison Dewar took out the Players Player award for DP2, and was awarded the perpetual award for Most Valuable Senior Player at Downey Park. Mary you had a blinder of a season, congratulations!

The Natalie Andrea – Spirit of Downey Park award was awarded this year to Louisa Cameron. Louisa has played as a junior for many years now, and in recent years stepped up to play seniors, and ignites a spirit within her and her hockey that she shares with her fellow players. Congratulations Louisa on your award, we look forward to seeing you further grow your senior hockey.

In Master's hockey, we saw a third team fielded by KW, with Alissa Hickson and Julie McDonald helping bring this team together.

Masters 3 was again led by Elaine Badini and saw some newcomers to the team. MM1 was a team of some younger faces with the experience of some of longer-term players led by Leslie Anderson, and this team had a very successful short season, taking out the premiership with a 1-0 win over Valleys.

Congratulations to the MM1 Premiers for 2021! AGAIN!

In Saturday turf hockey, we again fielded five teams, with BWAH changing the name of the competitions and PL1-3 (Premier League Saturday) and ML1-3 (Metro League Sunday) were born. Nikki Taylor headed up PL1 and newcomer from Toowoomba, Elke Swain came on board with PL2. Pam Patteson continued with PL3 and previous player Renah Winterton came in for ML1. Ian Harcla took the girls again in ML2.

With a changed structure to fit in the games and finals without the season going longer into the year, there was a shorter run up to the finals, and whilst all of our teams faired quite well, only Division 5 made it to the big dance but they went down in a cracker game. They took out the minor premiership but were runners up on the day. To Tex and the girls, great job!

Thank you to all the coaches for the time you give to our game. We appreciate all the hours and effort you put in. Also, to our managers, thank you for assisting, having your organisation makes life a little easier for the coaches and keeps our teams sorted.

Big thank you to our umpires, each year we continue to see development through our seniors moving their way on up, and to our Senior Umpire Award recipient, our most senior umpire, Alyson Aleksic. Congratulations on your Hockey Queensland award announcement earlier in the year and thank you for the continued mentoring you give all our umpires. Well deserved.

Last but not by any means least, our President's Trophy for Senior Ladies recipient, Tracey Sullivan – thank you for all your work. Continuing to be a leader at Downey Park, both with the senior ladies and junior girls that play up, your continued effort and commitment to umpiring, and all your hard work over years of organising our end of season presentation night.

Thank you to all players for your understanding and patience through the year. We wish you all a very Merry and Safe Christmas and look forward to seeing you all back in the New Year.

Natasha Gaddes
Women's Vice President

Junior Girls' Section Report

Before we get to what was a fantastic season, I would like to thank all those people involved in the junior girl's section, particularly its subcommittee for 2021. Without the subcommittee and volunteers, our Kedron Girls would not be as successful as it has been.

Having been behind the scene for many years, taking on the VP role this season gave me a different understanding and insight of what has been a well-oiled machine for many years.

As such, I want to give a special thanks to our Junior secretary, Lisa Newbold, and Ladies VP Tash Gaddes, who have provided endless support hours to myself and the section. I'd also like to thank our umpire coordinator and mentor, Alyson Aleksic. Alyson volunteered to manage all our junior umpire allocations; she also took time out each week (and weekend) to mentor a group of up and coming young umpires through the season.

For those unaware, club stalwart Jenny Tidey OAM has decided to step down from her patron role. Thank you to Jenny for all your support provided to our section over the years, particularly during your Patron role. You have been a rock and mentor to many previous Junior VPs and me, sharing your knowledge of hockey management and club history.

Lastly, I must thank our junior coaches, managers, selectors, and senior players who have given their time for junior development. I appreciate your dedication to the sport and our club.

As for 2021, what a fantastic season we were able to have despite the challenges of Covid 19 for a second year.

We started the 2021 season with a successful Wolf Cup, which moved to a two-day event, increasing the teams to 16 and creating a Plate allowing the lesser experienced teams to compete in a playoff. This year's tournament also saw our Kedron-Wavell girls enter two teams - Kedron White and Kedron Red.

Grass training started a little rocky with frequent cancellations due to the weather but settled down allowing our teams to come together.

We welcomed some new players to the club, said goodbye to a few, and were excited with several new coaching announcements.

We resumed the post-COVID season with four Turf teams – JT1, JT2 & JT3, our young 13T team, and nine grass teams – JG1, JG2, 13A, 13B, 11A, 11C, U9 Red, U9 Blue and U7.

All teams trained and played in great spirit and camaraderie, and feedback on the season regularly brought comments about how great it was to be back playing and watching hockey

Starting with our season highlights, our JT1 team was dominant across the season, finishing as minor premiers under the coaching of Lisa Jones and Nikki Taylor and then winning the grand final against Commercial. It was the fourth grand final birth in a row and 3rd premiership in four years

Our JG1, JG2, and 13A grass teams also dominated the year undefeated, finished as minor premiers, and when it counted, all three came home as premiers for the 2021 season. An outstanding result!

Thank you to those parents and players who completed their volunteering in the club canteen as part of their registration. A percentage of the canteen proceeds are used for keeping our junior fees low, development clinics and functions such as the junior presentation.

On the representative front, we again had high numbers representing Brisbane teams across the age groups demonstrating Kedron-Wavell's strength. Those that got to go away for their championships all had fun and competed well. Furthermore, congratulations to all the girls selected in a state squad and team. We look forward to seeing your progress in your hockey at this level.

We want to acknowledge all the older girls who, by age, have played their last game of junior girl's hockey proudly for Kedron Wavell. Thanks for your commitment to developing our junior girls' section, and we look forward to watching you enjoy your hockey up in the senior ranks and possibly as coaches of our future stars.

Lastly, thank you to our juniors and their parents for your commitment to our club. Our junior sections vision is to teach young kids how to play and enjoy the game of hockey and the lifestyle that comes with being physically active in a supportive and social environment. To succeed, we look to be a family-friendly club where every player is valued, and the family and community support is recognised and appreciated.

The team and I look forward to seeing you in 2021

Team Awards

Many of the traditional accolades are designed to recognise individual players. In 2019, the Club introduced team awards.

Hockey is all about teamwork, our club is all about teamwork and to quote Rudyard Kipling: *For the strength of the pack is the wolf, and the strength of the wolf is the pack.*

With this firmly in mind, the Club developed team trophies for the Senior and Junior divisions (that is, all Senior teams – Division, Masters and Downey Park – are compared for one set of team trophies; and all Junior teams are compared for the Junior trophies):

- **Best Attacking Senior/Junior Team** determined by the highest average number of goals scored per game.
- **Best Defensive Senior/Junior Team** determined by the lowest average goals conceded per game; and
- **Best All-round Senior/Junior Team** determined through the highest average goal difference per game.

Average goals, rather than total goals, are used given the different number of rounds across the various competitions.

Junior Team Awards

In 2019, our JT1 girls took out the best attacking team with more than 2.5 goals per game on average and defended just as well conceding only 0.5 goal on average. JT1 took out the all-round trophy with these statistics. The best defensive team, however, went to JG1 with a conceded goal average of only 0.43 – tremendous stats for our young players defending amazingly.

2021 sees a very different result. This year ONE team has taken out all the Team Awards and that is the U13A Blue Team, coached by Rhiannon Aleksic.

Best Attacking Junior Team - with goals scored on average of 6.12 per game, this team spent a lot of time in their attacking circle. With their youngest player and striker Sabrina scoring 22, the Gledhill twin duo scoring 16 each, and the forward line of Izzy, Sienna and Lucy scoring 43 between them, this team of champions scored 104 goals in their fixture season and backed the season up with a grand final victory.

Best Defensive Junior Team - now whilst these girls are scoring demons, they were also just as strong in defense. This team was not letting the opposition get over the halfway line much to get a chance at scoring against them, with statistics of only 0.20 per game. This equated to only 4 goals for the season. Easts got 2 against them, our 13A Red team snagged 1 against them, and Ascot got 1.

Best All-round Junior Team - it is not hard to understand how this team now wins the Best All Round Team. In 17 games of fixtures, 13A Blue were undefeated with 15 wins and 2 draws. Totalling 104 goals for, and only 4 against, this team has done a massive job to have a goal difference of 100 goals! Not something we see often in hockey.

Senior Team Awards

Best Attacking Senior Team - this year was a men versus women's top two, with two teams getting to four goals per game average. By the end of the regular season, the Women's PL1 team had averaged exactly four goals per game in attack, but they were pipped this year by a senior men's team averaging nearly 4.3 goals per game in the opposition's net. Congratulations to the perennial over-achievers, the Men's Division 6 team, on winning the Best Attacking Senior Team for 2021

Best Defensive Senior Team - this year was a contest between several of the women's teams, with six teams getting under the magic 1.0 goal conceded per game average. By the end of the regular season, two of our teams had conceded only 0.5 goals per game in attack, so a special mention to our Division 4 and Division 5 teams on that great result. However, they were both topped out by a genuinely impressive record of only 0.37 goals per game conceded (just 7 for the season) achieved by the first Premiership Winners this year and now the winners of the Best Defensive Team trophy – the Women's Masters 1 team.

Best Senior All-round Team - this trophy wasn't decided until after 9pm on the final Tuesday night game. Up until then, the Men's Division 4 Masters team had the lead in the competition. However, with a number of injuries in the side, they were unable to hold their impressive form through the last two rounds and finished third in the field with an average goal difference of 2.72 goals per game as we already had two teams back in the clubhouse with exactly the same average goal difference of 2.89 goals per game. So, our joint winners for 2021 of the Best All-round Senior Team, are the Women's PL1, and the Men's Division 6.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared to satisfy the financial reporting requirements of the Associations Incorporation Act Queensland 1981.

In the opinion of those charged with governance, the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored to satisfy all their information needs.

The financial report has been prepared on an accruals basis and is based on historic costs and does not consider changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

income tax:

The association is exempt from income tax in accordance with the provisions of Section 50 of the Income Tax Assessment Act 1997 accordingly no liability is recognized.

comparative figures

The comparative figures for 30 September 2020 were originally presented on a cash basis, these comparative figures have been adjusted and presented on an accrual basis to be presented in the same manner as the current year's accrual figures.

revenue

It is not practicable for the Association to maintain an effective system of internal control over receipts, until their initial entry in the accounting records. Accordingly, the financial report in relation to receipts was limited to amounts banked and recorded.

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages one to three.

1. Presents a true and fair view of the financial position of **Kedron Wavell Services Hockey Club Incorporated** as of **30 September 2021** and its performance for the year ended on that date.

INDEPENDENT AUDIT REPORT

To the members of Kedron Wavell Services Hockey Club Incorporated.

Opinion

We have audited the financial report of the **Kedron Wavell Services Hockey Club Incorporated** which comprises the statement of income and expenditure and the balance sheet as at the **30 September 2021**, the notes to the financial statement, including a summary of significant accounting policies, and the Statement by the Members of the Committee.

In our opinion the financial report of the **Kedron Wavell Services Hockey Club Incorporated** has been prepared in accordance with Associations Constitution, including:

1. giving a true and fair view of the association's financial position as of **30 September 2021** and of its performance for the year ended on that date.
2. complying with the Accounting Policies to the extent described in Note 1, and the Associations Incorporation Act 1981.

Basis for opinion

We conducted our audit in accordance with the Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report is prepared to assist for the purpose of fulfilling the Association's financial reporting responsibilities under the Associations Incorporation Act 1981. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act 1981 and to meet the needs of the members. The management's responsibility also includes such internal controls as the officers determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Management is responsible for assessing the Association's ability to continue as a going concern, disclosing as applicable, matters relating to going concern and using the going concern basis of accounting unless Management either intent to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Management are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report. A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.
